

# Brotha's On The Tee

2019 PGA Golf Club, Port St. Lucie, FL

Greetings brothas. This year's event was, like others, a memorable event for alumni as well as new guests. We had first time winners as well as newly crowned "Big Ballers." Our hearty congratulations go out to all of the winners as well as the competitors who joined in the fellowship.

*A special thanks to Darrell Washington our commissioner this year whose tireless and relentless work ensured that we were well organized and well cared for. Although there were no complaints from our erstwhile commissioner, it did not go unnoticed by some that delays in individuals making timely required payments posed many hurdles to enhancing the event for all. We are talking about each of us submitting payments in a timely fashion.*

*We are excited about next year as well as the following year when the BOTT will celebrate 20 years of fellowship and golf. The timeline remains the same as it has throughout our years, the Thursday after Mother's day. The specific dates are below.*
